

Civic Amenity Vehicle

Changes to the service from

**Saturday 30
or Sunday 31 July 2016**

Tunbridge Wells Borough Council is working in partnership with your parish or town council to continue to bring the Civic Amenity Vehicle to your area.

To improve how we manage the recycling of your waste, we will now collect either **garden (compostable) waste** or **domestic waste** at alternate fortnightly or monthly visits. Previously when the collections were mixed, it contaminated the green waste and simply meant more went to landfill than was necessary. As well as increasing the recycling in the borough, this change will reduce waste disposal costs for our residents.

The new timetable will complement your kerbside collection, which remains unchanged, details of what you can recycle can be found at tunbridgewells.gov.uk/recycle.

Please see reverse of this leaflet for the collection timetable in your area.

Garden waste will no longer go to landfill!

Other Services

For large household items that need to be disposed of, you can book a collection with the Bulky Waste Service – go to our website for more details tunbridgewells.gov.uk/recycle. There is a charge for this service. Alternatively, residents can take items for recycling to Kent County Council's North Farm waste site centre. Commercial vehicles will incur a charge.

Civic Amenity Service for Benenden

From 1 July the times and location for the Civic Amenity Vehicle will be changing.

The vehicle will no longer be stopping at one location for the whole three hours but will instead stop at both the **Village Hall** and **Iden Green Village Hall** for one hour and 20 minutes each. **There will no longer be a vehicle at Cherryfields.**

 **Garden waste (compostable)**  **Domestic waste**

BENENDEN 8am – 11am		
SATURDAY	8am – 9.20am	9.40 – 11am
1 Jul	Village Hall	Iden Green Crossroads
15 Jul	Village Hall	Iden Green Crossroads
29 Jul	Village Hall	Iden Green Crossroads
12 Aug	Village Hall	Iden Green Crossroads
26 Aug	Village Hall	Iden Green Crossroads
