ARE YOU PART OF A COMMUNITY THAT CARES?

We are currently raising £1.4m to develop a newly acquired 18 acre site in Hawkhurst – “The Wall”. Developed as an innovative Social Enterprise Centre, phase 1 of the project sees us refurbishing the existing Edwardian wall, kitchen garden and adjacent buildings, as well as creating a new cooking school, greenhouse and seminar room. The site will serve as a valuable educational resource facility as well as supporting community projects, volunteer activities and events for communities throughout Rother, Hastings and West Kent. Families, young children and the elderly, will have access to healthy, sustainable and affordable food, as well as learning how to grow and cook it. The site will also facilitate multiple projects supported throughout Rother, Hastings and West Kent. We believe to create a sense of community you need to be a community that cares and we hope that those that CAN help, will help. As we don't receive funds from the government, we are constantly fundraising to resource our projects as well as the development of The Wall.

There Are Many Ways To Care:

- Become a Community Ambassador.
- Give your time and Volunteer.
- Experienced in Nutrition? Become a Trustee.
- Make a Regular Donation.
- If you're a business help us Pro Bono.
- Organise a fund-raising event.
